FITSTAT
FOR GYMS

RUN YOUR GYM ON AUTOPILOT.

Members, renewals, payments, GST, check-ins, staff and P&L in one app, under your gym's own name. From registers and Excel, or from YDL and Kore, to fully automatic in a week. Our team sets it up with you.

> Built by gym operators. Running live at Fit Formula, Munnekolala, Bengaluru. Your data stays in India, on servers in Mumbai.

EVERYTHING YOUR FRONT DESK AND BACK OFFICE NEED

Renewals that chase themselves
Automatic reminders by email, and WhatsApp from your own number if you use it.

Payments your way
Cash, UPI to your own QR, cards, payment links and UPI AutoPay. Razorpay is optional.

One view of your gym
Staff attendance, payroll, expenses and branch-wise P&L, all in one place.

GST done right
Tax invoices, credit notes, GSTR-1 and Tally exports. Not registered? Plain receipts.

Entry control
Kiosk, QR and eSSL / ZKTeco biometric check-in that flags expired members.

Member app and your brand
Dues, invoices, class and PT booking, with your logo and your gym's web address.

SIMPLE PRICING, PER BRANCH

₹2,000 / month

Standard, billed yearly at ₹24,000. Quarterly from ₹6,900, half-yearly, and 2- or 3-year plans that save up to 15%. Premium ₹4,000/month adds a named onboarding manager, full migration, staff training and 7-day support.

14-day free trial. No card needed.

FOUNDING 25 GYMS

For the first 25 gyms on a 1, 2 or 3-year plan:

- Free migration and staff training on Standard
- Your price locked for 2 years
- Pay during your trial: 13 months for 12
- Refer a gym that takes a 1-year plan: 2 months free
- Switching from YDL or Kore? Free migration

Prices plus 18% GST. No per-member or per-message fees. Only 2- and 3-year terms can be refunded: unused months, less a 10% early-exit charge. Offers on the conditions we confirm in writing. Full terms at fitstat.in/pricing.
